

PATIENT RIGHTS AND RESPONSIBILITIES

Patient Rights will be exercised without regard to sex, culture, economic, educational or religious background or the source of payment for his or her care.

- 1 Considerate and respectful care.
- 2 Appropriate privacy.
- 3 Patient disclosures and records are treated confidentially and except when required by law, patients are given the opportunity to approve or refuse care.
- 4 Patients are provided to the degree known, complete information concerning their diagnosis, evaluation, treatment and prognosis. When it is medically inadvisable to give such information to a patient, the information is provided to a person designated by the patient or to a legally authorized person.
- 5 Patients are given the opportunity to participate in decisions involving their health care, except when such participation is contraindicated for medical reasons.
- 6 Information is available to patients and staff regarding:
 - Patient rights
 - Patient conduct and responsibilities
 - Services available at the Dunes Surgical Hospital
 - Provisions for after-hour and emergency care
 - Fees for services
 - Payment policies
 - Patient's right to refuse to participate in experimental research
 - Advance directives, as required by state or federal law and regulations
 - Credentials of health care professionals
- 7 Prior to receiving care, patients are informed of Patient Responsibilities (see Patient Responsibilities).
- 8 Patients are informed of their right to change their provider if other qualified providers are available.
- 9 Representation of accreditation to the public must accurately reflect the accredited entity.
- 10 Marketing or advertising regarding the competence and capabilities of the organization is not misleading.
- 11 Patients are provided with appropriate information regarding the absence of malpractice insurance coverage.
- 12 Patients are informed about procedures for expressing suggestions, complaints and grievances, including those required by state and federal regulations.
- 13 Patient has the right to be free from all forms of abuse or harassment.
- 14 Patient has the right to privacy and security of individually identifiable health information.
- 15 Patient has the right to be fully informed about a treatment or procedure and expected outcome before it is performed.
- 16 If a patient is adjudged incompetent under applicable state health and safety laws by a court, the rights of the patient are exercised by the person appointed under state law to act on the patient's behalf.
- 17 If a state court has not adjudged a patient as incompetent, any legal representative designated by the patient may exercise the patient's right to the extent allowed by law.
- 18 The facility must inform the patient or patient's representative of the patient's rights and must protect and promote the exercise of such rights.
- 19 The facility must provide the patient or patient's representative with verbal and written notice of patient's rights before providing care in a language and manner that is understandable.
- 20 Patient has the right to exercise his or her rights without being subjected to discrimination or reprisal.
- 21 Patient has the right to know that this surgical hospital is an incorporation of a collective group (which may include his or her surgeon) formed for the benefit of the community. The Hospital also wishes to inform the patient that his or her surgeon may have a financial interest in this Hospital. Others may also have an investment interest in the Hospital. As a matter of choice, patients have the right to choose to have their recommended surgery at other locations.

In association with Mercy Medical Center

PATIENT RIGHTS AND RESPONSIBILITIES

Patient Responsibilities, in collaboration with physician care, encourages patients to participate in their own health care and treatment.

PATIENT RESPONSIBILITIES ARE TO:

- 1 Provide accurate and complete information about their health, any medications, including over-the-counter products and dietary supplements, and any allergies or sensitivities.
- 2 Follow the treatment plan recommended by their provider and participate in their care.
- 3 Provide a responsible adult to transport them home from the facility and remain with them for 24 hours, if required by their provider.
- 4 Inform their provider about any living will, medical power of attorney or other directive that could affect their care.
- 5 Accept personal financial responsibility for any charges not covered by insurance.
- 6 Be respectful of all health care providers and staff, as well as other patients.
- 7 Patients are responsible for their actions if they refuse treatment or do not follow the provider's instructions.
- 8 Arrive as scheduled for appointments and to cancel, in advance, any appointments they cannot keep.
- 9 To become informed of the scope of basic services offered, the costs, the necessity for medical insurance and to actively seek clarification of any aspect of participation in the Surgical Hospital's services and programs that is not understood.

PATIENT COMPLAINTS OR GRIEVANCES:

- If you have a problem or complaint, please speak to the receptionist or your caregiver. We will address your concern(s) promptly.
- If necessary, your problem or complaint will be routed to the Administrator and/or Director of Quality for resolution. You will receive a letter or phone call to inform you of the actions taken to address your complaint.
- If you are not satisfied with the response of the Surgical Hospital, you may contact:
